School of Hairdressing – Academy for Hair Professionals in Zurich and Lausanne

Swiss Beauty & Hair Academy is a professional beauty school, located both in Zurich and Lausanne, who offers courses in the area of hairdressing for beginners and for professionals in the hair industry who wish to specialize or refresh their knowledge.

In our Academy for Hair Professionals, the hairdressing courses are available in three options: Unisex hairdressing course (18 months long), Ladies hairdressing course (12 months long), and Men hairdressing course/Barbering courses (12 months long). As for the Refresh or Specialization courses, the minimum duration is one month, being at the choice of the student who, in agreement with the trainer in question, will decide which points he/she considers most important to review and deepen.

As in all of our Academies, the classes are divided into small groups to allow you a better accompaniment from our trainers and are also available in your mother tongue.

Learn the Art of Hair with our Professional Hairdressing Course

School of Hairdressing – The love for the art of hair

Hair is something more than just an accessory we use regularly – it’s part of us as human beings, it’s part of our personality. That’s why hairdressing is not just a profession but an art – it’s the art of creating through our hands and working tools, a look capable of expressing exactly who the person is, without the need of that person to talk. Join our Academy for Hair Professionals and learn all the basics necessary to become a Professional Hairdresser. All of our training is guided by the Swiss Professional Hairdressers Association – CoiffureSuisse.

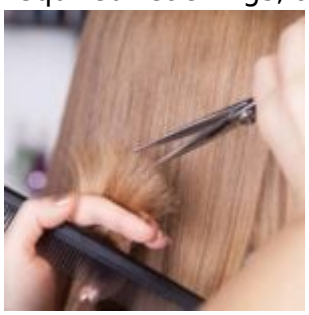

Professional Hairdressing Course: the secret of Hair Beauty

Throughout our hairdresser training, you will learn all the theoretical and practical content necessary to get started in the profession. At our hairdressing school, you will have the possibility to specialize in the area of women’s or men’s hairdressing, through our women’s hairdressing course or barbering course. We also have specialization courses for professionals already active in the area but who want to evolve their techniques through haircutting courses, colorimetry courses and barbering courses. At our Hairdressing School, the opportunities for evolution are endless! Visit us and try one of our classes for free and prove it for yourself!

The best teaching conditions are found in our School of **Hairdressing**

The use of the wrong equipment, overcrowded groups, lack of technical know-how – a common obstacle for those seeking a coherent and high-quality training that guarantees the necessary preparation to start a successful career! With you and this need in mind, **Swiss Beauty & Hair Academy** has developed the hairdressing school with modular training that allows you better management of your time with learning, oriented in several languages to ensure easy integration and understanding of theoretical and practical contents. Our school of hairdressing also offers you modern spaces and equipment, suitable for the practice of the required teachings, as well as small groups to ensure personalized support.

Hairdresser training – Learn and improve the most recent cut and color techniques with our haircutting courses and colorimetry courses

As a professional hairdresser, you should be constantly updated on the actual techniques and trends because the lack of them can be a major obstacle to your evolution as a professional. At **Swiss Beauty & Hair Academy**, we offer Hairdressing Refresh courses with a minimum duration of one month, as well as various specialization courses such as the Barbering courses, Haircutting courses, and Colorimetry courses. These courses are available both for students who have completed the training at our school of hairdressing or not. Visit our school and book a free trial lesson!

Modular Hairdressing Course – Reach all your goals at once

We are all different, so each of us has different interests and goals. That is why in our School of Hairdressing we give you the option to carry out training in a modular way so that you can combine more than one course in different areas at the same time. Stay tuned to our school agenda and don’t miss any more Workshops of your interest.
