Makeup Artist and Visagist Course

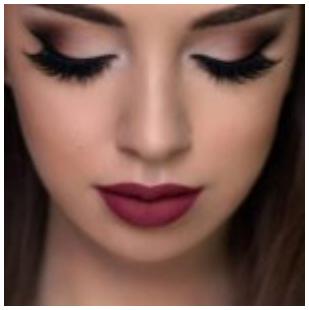
Objectives of the Professional Makeup Courses:

This demanding technical course, lasting 6 months, is suitable for people who want to work as professional make-up artists. The course transmits theoretical and practical knowledge to the practice of the profession as a make-up artist.

Profile of Makeup Artists and Visagists:

The term “visagism” is derived from the word “face”. Visagism is the art of embellishing a

face with colors and haircuts that enhance it. To obtain a harmonious result, it is essential to recognize and determine the complexion, determining whether the skin tone is warm or cold.



Description of the Makeup Artist Training:

Professional Makeup procedures
Knowledge of combinations of facial colours and shapes
Various Makeup techniques for eyes, face, and lips
Dermatology and technical professional knowledge
Professional bridal, gala, and photo shooting as well as daytime and night-time make-up
Procedures to prepare and create hairstyles
Hair profile and fine cleaning techniques
Separation of strands of hair for wrapping, wrapping techniques, and streaks
Repair techniques (covering up), curly hairstyles and their variations, banana hairstyles and their variations
Updo/ knot hairstyles and their variations
Braided styles and their variations

Note: Students should bring their own models to the makeup classes and will be informed in advance.

Conclusion of the Make-up Training:

During the Make-up and Visagism training students will be assessed by experienced specialist teachers. Upon successful completion of the final exam, you will receive the Swiss Beauty & Hair Academy diploma, certifying that you have the necessary experience to practice the profession and can safely apply it in practice.
