## **Eyelash Extension Training**

Eyelash Extension in our school Swiss Beauty & Hair Academy trains modern professionals for the cosmetics sector and also offers interesting and innovative training courses. We also focus on beauty trends, such as eyelash lengthening by North American celebrities. Immediately increase your attractiveness and that of your customers by implementing this innovative technique!

### **Seminar Eyelash Extensions**

### **Target audience:**

Our professional eyelash extensions course is aimed at professionals from the fields of cosmetics, make-up, hairdressing and other interested persons. The course is offered in various languages. The current offer is available on our website [Swiss Beauty & Hair Academy](#). The practical exercises during the course partly take place in mixed groups, which enables an exchange with students from other cultures during the course of the course.

### **Objectives:**

The objective of our course is to impart the comprehensiveness and modernity of our innovative course. The course is held in small groups, which enables an intense and personal attention for all students.

## **Theoretical content:**

Typical applications of eyelashes extension technique  
Security measures

## **Practical content:**

Practical exercises for the application of eyelash extensions (Eyelash Extensions)  
Questions & discussion on “lengthening eyelashes”

## **Follow-up and conclusion:**

Our eyelash extension course provides you with a comprehensive knowledge in theory as well as in practice to perform a professional eyelash extension for your customers. After completing the eyelash extension workshop and passing the practical final exam, you will receive a certificate from our eyelash extension school, the Swiss Beauty & Hair Academy. The certificate certifies that you have acquired the theoretical and practical skills according to the seminar announcement and that you are able to apply these skills in practice.

The practical exam takes place within 2 months. The time until then will be used to gain sufficient practice and dexterity after the course day. The practical exam is about using 60-80 eyelash extensions on both eyes within 2 hours. Of course, a model is also needed for this. The date for the final paper will be arranged bilaterally between the course participant and our teacher.
